

HELP THE NATIVES AT CODORNICES CREEK!

Come play in the dirt and soak in the spring while contributing to the successful establishment of a local creek restoration project!

The Codornices Creek Watershed Council is hosting a morning to ‘save the natives and stave off the weeds.’ We will be weeding and mulching and generally tending to the freshly planted natives at the new restoration project along the creek.

WHEN: Saturday April 16th, 2011, from 9 to 12

WHERE: Codornices Creek @ 8th St. crossing, Berkeley

Bring your gardening/work gloves, water bottle, and a shovel, trowel or favorite tool!
